#### B. HEALTH AND WELFARE BENEFITS:

2. The 2013 District annual maximum contribution toward individual unit member insurance premiums for District medical plans for full time employees, employee plus one and family coverage shall be based on the 2013 District PPO rates as adjusted by the cost containment changes. The District's annual maximum contribution excludes District dental and vision insurance.

Beginning the 2014 insurance year (January 1, 2014), and each year thereafter, the District shall increase the prior year's District annual maximum (DAM) contribution toward individual unit member insurance premiums for District medical plans for full-time employees, employee plus one and family coverage by 3.5%. In the event the elected coverage in a District insurance program exceeds the above stated District annual maximum contribution, the cost difference shall be paid by the unit member through payroll deduction. Employees will be required to pay the cost difference for each plan (except for the lowest cost HMO plan) and their selected tier (Employee Only, Employee plus one (1), and Family). The Health Benefits committee shall actively work to limit increases greater than 3.5%, through plan design modifications, vendor selection, wellness programs, and member education. In the event that the combination of the annual PPO rate increase and/or cost containment results in premiums below the District maximum annual contribution described above, that difference will mitigate future rate increases.
